CIRCULAR
No. 19.

WAR DEPARTMENT,
OFFICE OF THE QUARTERMASTER GENERAL,
Washington, November 10, 1911.

1. The following tables of minimum and maximum rates of clothing, equipage, and other quartermaster's supplies, per stated units, are published for use in connection with the instructions contained in Circular No. 18, Quartermaster General's Office, October 1, 1911.

2. At posts where the minimum and maximum quantities of any articles, determined as directed in paragraph 3, Circular 18, Quartermaster General's Office, 1911, are less than unity, the minimum stock will be taken as unity.

3. Tables covering minimum and maximum quantities of other quartermaster's supplies will be published from time to time for use in connection with Circular 18, Quartermaster General's Office, 1911, and articles of supplies on hand not included in these tables will be maintained, in quantities within allotments as heretofore authorized, until such time as they are listed in the minimum and maximum tables.
